September 3, 2015

Dear Medicaid Providers:

The Department of Medical Assistance Services will be conducting Question and Answer sessions for all participating providers and their billing staff. These sessions will focus on the implementation of **ICD-10 diagnosis and procedure coding**. Effective with claims with dates of service on or after 10/1/2015, ICD-10 codes will be required. These Q&A sessions are recommended for **all providers billing Medicaid whether professional or institutional**.

The Q&A sessions will be via WebEx. Online Medicaid training registration can be accessed at <http://dmasva.dmas.virginia.gov/>. On the right hand menu click the Upcoming Training Events link. Open the **Q&A - Implementation of ICD-10 Diagnosis and Procedure Coding** letter and select the link given that corresponds with the session you wish to attend. The links will open the WebEx registration page to the training scheduled for that day and time. Each participant's name and valid email address will be required for registration. Once registration is approved, you will receive a confirmation email with all of the training details. The number of participants allowed in each session is limited. Once a session is full, additional registration requests will be waitlisted. Waitlisted individuals will be registered if a confirmed participant cancels. If you do not receive the confirmation email please call (804) 371-6327 or 225-4578.

We look forward to your participation in our Medicaid WebEx. If you have any questions regarding these sessions, please email us at providertrainingregistration@dmas.virginia.gov or call (804) 225-4578 or 371-6327.
